

Reading Process Criteria

I begin to read by using pre reading strategies

 I read the pictures

 I read the text summary

 I read the table of contents

 I predict what the text will be about

I read the text

I use strategies when I come to a word I don't understand

 I look at the pictures

 I guess and check

c.a.t
I sound out

I skip the word and read on

dad dy
I chunk the word

c at
I look for little words inside

I check my understanding as I read

 I reread when the text doesn't make sense

I self correct
"...the dog took a bath...
I mean shower"

 I include stop time to make predictions

 I include stop time to retell what I read

I end my reading

I check my overall understanding

 I retell the beginning, middle and end.

I include all stages with help
